

**Biodiversitätsmonitoring NRW**  
**Stand: März 2019**

[illegible]

Krautschicht < 1,5m	Deck. in %	*V	Krautschicht < 1,5m	Deck. in %	*V	Moosschicht	Deck. in %	*V
Aegopodium podagraria			Gymnocarpium dryopteris			Cinclidotus aquaticus		
Agrostis canina			Holcus lanatus			Cratoneuron filicinum		
Agrostis capillaris			Holcus mollis			Eucladium verticillatum		
Agrostis stolonifera			Hypericum maculatum			Palustriella commutata		
Ajuga reptans			Impatiens glandulifera			Pellia endiviifolia		
Angelica sylvestris			Impatiens noli-tangere			Philonotis calcarea		
Athyrium filix-femina			Impatiens parviflora			Preissia quadrata		
Blechnum spicant			Juncus acutiflorus					
Calamagrostis epigejos			Juncus articulatus					
Caltha palustris			Juncus effusus					
Cardamine amara			Juncus inflexus					
Cardamine flexuosa			Lotus pedunculatus					
Cardamine pratensis			Luzula luzuloides					
Carex acutiformis			Lychnis flos-cuculi					
Carex appropinquata			Lycopus europaeus			<b>Unterwasservegetation</b>	<b>Deck. in %</b>	<b>*V</b>
Carex echinata			Lysimachia nemorum			<b>Gesamtdeckung</b>		
Carex hirta			Lysimachia nummularia					
Carex leporina			Lysimachia vulgaris					
Carex nigra			Mentha aquatica					
Carex panicea			Molinia caerulea					
Carex pendula			Myosotis scorpioides					
Carex remota			Persicaria hydropiper					
Carex sylvatica			Phalaris arundinacea					
Chrysosplenium alternifolium			Pinguicula vulgaris					
Chrysosplenium oppositifolium			Poa trivialis					
Circaea lutetiana			Primula veris					
Cirsium oleraceum			Pteridium aquilinum					
Cirsium palustre			Ranunculus acris					
Cochlearia pyrenaica			Ranunculus flammula agg.					
Crepis paludosa			Ranunculus repens					
Dactylis glomerata			Rubus idaeus					
Deschampsia cespitosa			Rubus sectio Rubus					
Digitalis purpurea			Rumex acetosa					
Dryopteris carthusiana			Rumex obtusifolius					
Dryopteris dilatata			Scirpus sylvaticus					
Dryopteris filix-mas			Scrophularia nodosa			<b>Schwimtblattvegetation</b>	<b>Deck. in %</b>	<b>*V</b>
Epilobium obscurum			Scutellaria galericulata			<b>Gesamtdeckung</b>		
Epilobium palustre			Senecio nemorensis agg.					
Epilobium parviflorum			Senecio ovatus					
Epilobium roseum			Solanum dulcamara					
Equisetum palustre			Stachys sylvatica					
Equisetum sylvaticum			Stellaria alsine					
Eupatorium cannabinum			Stellaria media					
Festuca altissima			Stellaria nemorum					
Festuca gigantea			Thelypteris limbosperma					
Festuca rubra			Urtica dioica					
Filipendula ulmaria			Valeriana dioica					
Galeobdolon luteum			Valeriana officinalis					
Galeobdolon montanum			Veronica beccabunga					
Galeopsis tetrahit			Veronica montana					
Galium odoratum			Viola palustris					
Galium palustre			Viola reichenbachiana					
Geranium robertianum								
Geum urbanum								
Glechoma hederacea								
Glyceria fluitans
